CENTERS OF CARE shall be defined as a Participating Provider that is a Hospital or Ambulatory Surgical Center located outside of the Service Area. The Hospital or Ambulatory Surgical Center shall be a Participating Provider at the time services are rendered to the Covered Person and shall be specifically designated by name as a Center of Care in the more recent of NetCare's most current brochure or NetCare's most current updated Provider Directory.

COVERED CHARGES for Participating Providers are charges determined by NetCare to be the maximum amount that it will pay for a covered service to a health care provider. Any applicable co-payment will apply to the Eligible Charge. Covered Charges or Eligible Charges shall be defined as the reimbursement amounts agreed between the Company and the Participating Provider.

COVID-19 - NetCare will pay covered benefits for COVID related services to include medically necessary testing, treatment and services based on guidelines established by CDC and FDA approved prescription drugs. Coverage shall include but not limited to inpatient services, prescription drugs, physician office visit, diagnostic procedures and laboratory testing. A precertification or prior authorization of services is not required. Coverage does not include services for screening or clearance for school, employment or travel purposes. Vaccination - NetCare will cover FDA approved COVID related vaccinations using guidelines established by CDC. No copayment or deductible will apply for administration fees associated with the vaccination. Contact NetCare at 671-472-3610 for coverage details.

DEDUCTIBLE is the dollar amount applied to non-participating providers for covered benefits only. Non-covered benefits are not applicable toward your annual deductible. The individual deductible does not apply toward the family deductible amount. Therefore, the entire family must meet the family deductible before First Dollar benefits apply.

NON-GRANDFATHERED STATUS DISCLOSURE - This group health plan believes this plan is a non-grandfathered health plan under the Patient Protection and Affordable Care Act. Being a non-grandfathered health plan means that your policy includes certain consumer protections. Questions may be directed at NetCare at 671-472-3610 or EBSA at www.dol.gov/ebsa or DHHS at www.healthreformgov.

PHILIPPINE CARE - All covered benefits/services rendered at NetCare's Philippine Centers of Care are 100% of covered charges after the deductible is satisfied, subject to pre-certification requirements and plan benefit limits. The annual deductible must be satisfied before covered charges are payable.

PRESCRIPTION DRUGS - NetCare adopted a mandatory generic program, which means prescription drugs are limited to covered generic drugs. Additional charges will apply for non-generic prescription drugs that include copayment of the non-generic drug plus the ingredient cost difference of the non-generic and generic drug. Contraceptives, including injectable contraceptives, are covered at no charge for generic retail & generic mail order at participating providers. Brand & non-formulary contraceptives at participating providers are subject to Plan benefits. Specialty drugs are limited to retail purchase at participating providers. Preventive drug benefits are payable based on guidelines established by the U.S. Preventive Services Task Force grades A or B. Injectable drug copayment includes specialty drugs. Please refer to NetCare's current drug formulary for coverage and copayment tier.

PROVIDER NETWORK - Covered benefits and services rendered outside Guam are available at NetCare's direct contracted providers and NetCare's Centers of Care.

REFERRALS - Referrals are not required for primary, specialty or covered ancillary services on Guam. Covered benefits and services rendered outside Guam require a NetCare approved referral. No coverage will be provided outside Guam without a NetCare approved referral.

RESIDENCY - Enrollment is limited to members who live on Guam and do not reside outside Guam for more than 90 consecutive days per Contract Period. A NetCare approved authorization is required for members receiving continuous medical care outside Guam that is not for long term medical treatment.

SERVICE AREA - The service area for this policy shall be defined as Guam, CNMI and Palau.

UCR means Usual, Customary & Reasonable charges of the geographical location where service was rendered based on the current Medicare RBRVS/DRG. Covered services and annual deductibles at Non-participating Providers are subject to UCR. Charges in excess of UCR are not payable by the plan.
