### WHEN YOU REGISTER

#### EARLY REGISTRATION

Continuing and returning students may register early for classes at any of the locations in the "Where to Register" section above at the dates indicated in the "Early Registration Dates and Deadlines" on Page 1.

#### PREREQUISITE IN PROGRESS

If you plan to pre-register for a course that requires a prerequisite course that you are currently taking, you need to pass the prerequisite course with the required grade. Otherwise, you will be de-registered from the class roster of the pre-registered course, and you will be notified by email at your student account. De-registration will occur no later than three weeks after the grades for the prerequisite courses have been submitted. You can view your grades online through your WebAdvisor account.

#### AUDITING CLASSES

Students may [apply to audit classes](#), or sit in on a class without receiving credit. Refer to the Catalog for application procedures, deadlines, and fees.

#### IMPORTANT FACTS TO KNOW

- Students in EN-109 (formerly EN-085 and EN-100) must see an advisor for schedule approval and registration at the College of Liberal Arts and Social Sciences.
- Students must complete EN-111 with a grade of "C" or better and MA-085 (Level II) or higher with a grade of "C2," "B2," or "A2" before enrolling in 300 or 400 level courses. Exceptions are noted in the Undergraduate Catalog.
- All School of Business & Public Administration majors must complete EN-111 and MA-110 or higher with a grade of "C" or better before enrolling in 300 or 400 level courses.
- A student may not take a lower level course after completing a more advanced level course without written permission from the appropriate department/unit.
- If your academic program does not specifically require MA-161A as a major requirement or a prerequisite course, MA-110 or MA-115 may be used to satisfy your general education math category.

6. Courses listed in the class schedule with the letter "H" following the course number are honors courses. Check with your honors advisor or the director of the Honors Program to enroll in honors courses.
7. Because it is not possible to describe in this schedule all registration policies as well as pertinent rules and regulations, students are advised to use the Undergraduate Catalog and Graduate Bulletin as tools in understanding the rules and regulations that govern the conduct and discipline applicable to students.

## REGISTRATION ASSISTANCE

- Records and registration technicians are available to assist students from 8 a.m. – 5 p.m. during registration periods in the Office of Admissions & Records. Inquiries may also be sent to [admitme@triton.uog.edu](mailto:admitme@triton.uog.edu).
- Students with medical or physical disabilities: For special assistance with registration, contact the Student Counseling and Advising Accommodations Office in the Student Center, Office #4, at least seven days before registration: (671) 735-2460.

## AFTER YOU REGISTER

### REVIEW SCHEDULE FOR ACCURACY

It is the responsibility of the student to review his/her class schedule for accuracy. Students may view their class schedule on WebAdvisor using the "My class schedule" option or acquire a copy from the Office of Admissions & Records. Courses not attended and not dropped will receive the grade of "UW" (Unofficial Withdrawal), and the student will be financially obligated for the payment of course(s) and other fees.

### SCHEDULE ADJUSTMENTS

You may add or drop classes during the Early Registration and Open Registration periods and during the Schedule Adjustment period noted on the "Registration Dates and Deadlines" table on page 1. Schedule adjustments may be made at the Office of Admissions & Records or at any satellite location.

### DROP/WITHDRAWAL POLICY

Students who register for a class and later decide to drop or withdraw from it must officially withdraw from the class if they decide not to attend. Course withdrawals are best done as early as possible to avoid fees and transcript entries that negatively affect the student's GPA.

If you do not attend a class and do not officially drop it and still owe tuition and fees, you will be liable for payment and interest charges and will be billed according to the "Fee Schedule" below. Therefore, it is crucial that students officially drop or withdraw from classes in a timely manner.

### WITHDRAWAL DEADLINES

The deadlines to withdraw are as follows:

**1. Deadline to withdraw from classes without a transcript record entry: Jan. 28, 2020.**

All students may withdraw from a course or courses during registration or the schedule adjustment (add/drop) period.

**2. Deadline for voluntary withdrawal: March 18, 2020.**

Students who wish to officially withdraw after the deadline to withdraw without transcript entry will receive a grade of "W" (withdrawal) on their transcripts for all classes from which they withdrew. Withdrawal Forms must be received by the Office of Admissions & Records on or before the deadline. A technician will assist in making the withdrawal.

Note: Withdrawal Forms without all required signatures will not be accepted. (See "Fee Schedule" below.)

**3. Deadline to withdraw by petition: May 15, 2020.**

Students who miss the voluntary withdrawal deadline and desire to withdraw from a class or classes may petition for permission to withdraw by completing the [Petition for Course Withdrawal Form](#), which is available at the Office of Admissions & Records. Students may petition for withdrawal up until the last day of classes before finals week. (See "Fee Schedule" below.)

### ADMINISTRATIVE DROPS

The registrar may also administratively drop a student from any class for which he/she does not have the prerequisite courses, or an exemption from the prerequisites, whether the student enrolls in such a class during the registration or drop/add period. Students who are administratively dropped after the refund period are not eligible for a refund of tuition or fees.

### COURSE CANCELLATIONS

For courses cancelled by the University, students will receive a full refund mailed to them within four to six weeks.

Tuition, fees, and the refund policy are subject to change as approved by the Board of Regents.

### PAYMENT

Final payment for Fañomnåkan 2020 registration must be received by Jan. 30, 2020; otherwise, your registration will be cancelled, and you will still be liable to pay your financial obligation.

### FEE SCHEDULE FOR DROPPING OR WITHDRAWING FROM CLASSES

1. There is no cancellation fee if you drop/withdraw from classes before Jan. 22. You will receive a 100% refund.
2. If you drop classes during the first week of class (Jan. 22 - Jan. 28), you will be charged with a cancellation fee equivalent to 5% of the tuition plus 100% of all fees.
3. If you withdraw from classes between Jan. 28 and May 15, you will be charged a cancellation fee equivalent to 100% of tuition and fees.

If you do not officially drop/withdraw from classes within the time periods above and still owe tuition and fees, you are liable for payment and will be billed accordingly including applicable interest. You may also receive a grade of "Unofficial Withdrawal," or "UW," which negatively affects your GPA. Therefore, it is crucial that you officially drop/withdraw from classes in a timely manner.

Even if your schedule is cancelled, you are still liable to pay your financial obligation.

Students who are waiting for financial aid or have not yet paid for their tuition and fees are still obligated by regulations 1 and 2 above. If you are a financial aid recipient or are interested in financial aid, please contact the Financial Aid Office to ensure that all necessary documents are complete before the payment deadlines.

Online payment and student billing statements are available through your WebAdvisor / portal account: On the "Financial Information" section, click

"Make a Payment" to gain access or visit the Bursar's Office web page for instructions.

[See "Tuition and Fee Payment" section on page 8.](#)

### OBTAINING GRADES

Students may obtain student grade reports on WebAdvisor. Student class schedules may be requested at the Office of Admissions & Records.

### ONLINE CLASSES

If you registered for an online class, you may be wondering what is supposed to happen next. Here are some answers to some questions you might have.

#### When does the class start?

Online classes at UOG Moodle typically start at the same time as the on-campus classes. If the first day of on-campus classes starts on a Wednesday, then online classes will start on the same day. If you do not see your class when the semester starts, feel free to contact the UOG Moodle Help team.

#### How do I contact the UOG Moodle Help Team for assistance?

Tel: (671) 735-2620

Email: [moodlehelp@triton.uog.edu](mailto:moodlehelp@triton.uog.edu)

#### How do I access UOG Moodle?

You can find UOG Moodle at <http://moodle.uog.edu> from any computer with internet access. If you have an account with the UOG WebAdvisor system, then you can use the same login information to access UOG Moodle. Use your WebAdvisor username as your UOG Moodle username. For your UOG Moodle password, use your WebAdvisor "uPIN" number. If you run into problems logging in, you can contact the UOG Moodle Help Team for assistance.

#### How do I get into the class in UOG Moodle?

At the start of the semester, you can check to see if you have already been added into the online classroom. If you are already in, you do not need an enrollment key. To see the classes that you are in, log in to UOG Moodle, then look for the "Dashboard" link. In the Dashboard page, scroll down and look for the "Timeline" and "Courses" tabs. Click on the "Courses" tab. You will see any courses that you already have access to. If you do not see your course, then you may need to contact the instructor to ask for an enrollment key.

#### What will I need in order to participate in an online class?

Before signing up for an online course, you should ensure that you are comfortable using online technologies on your own. This includes performing activities like using email, handling file uploads and downloads, and conducting internet searches. You will need reliable access to a computer that has reliable internet access. This can be your own computer or one in a computer lab or internet café. Using public WiFi hotspots is unsafe, so be sure that your computer has up-to-date internet protection. We strongly recommend that you use the Mozilla Firefox web browser to access UOG Moodle as it is the most compatible with all of the features in UOG Moodle. Your UOG email account comes with access to Microsoft 365, and it is highly recommended that you make use of this. Microsoft 365 includes Microsoft Word, Excel, PowerPoint, and more. If you are unsure about any of this, you can visit the "Student Corner" when you log into UOG Moodle. There, you will find more information and resources to help you.

# TUITION & FEES INFORMATION

## RESIDENCY CLASSIFICATION

An applicant is initially classified as a resident or non-resident at the time of application with the Office of Admissions & Records for tuition purposes. The classification, which is certified by the registrar, is based upon information furnished by the student and from other relevant sources. In compliance with the [Residency Policy](#) passed by the Board of Regents in February 1996 and amended in May 1997 and June 2004, non-resident students are required to pay non-resident tuition.

The burden of proof is upon the student making a claim of resident status. The admission of students who knowingly provide false information for the purpose of achieving resident status shall be subject to cancellation and adjusted billing.

### Resident Status

The considerations used in determining resident status are as follows:

1. Establishment of a domicile on Guam, the Northern Mariana Islands, or in one of the Freely Associated States (the Federated States of Micronesia, the Marshall Islands, and Palau) as mandated by 17GC16125 for the 12-month period prior to the beginning of the term for which residency is claimed.
2. Evidence of residency for a period of 12 months or more prior to the beginning of the term for which residency is claimed. Evidence of residency will be shown by documentation of one of the following:
  - Permanent employment on Guam (verification of employment)
  - Payment of income taxes on Guam (by student or by a parent/guardian if the student is a dependent)
  - Ownership or rental of living quarters on Guam
  - Use of Guam permanent address on ALL records (educational, employment, military, financial)
  - Being a registered voter in Guam
  - Maintaining a Guam driver's license or vehicle registration.

If it is necessary to change your license or registration while temporarily residing in another location, the license **MUST** be changed back to Guam within 10 days of the date to return to Guam, and the vehicle registration must be changed within 20 days of the date of return.

- Certification of residency from your village mayor.
3. Adjustment to permanent resident status. Students who have filed for an Adjustment to Permanent Resident Status will be eligible for the resident rate **ONLY** if they have resided on Guam for 12 consecutive months prior to applying to the University and have submitted the following supporting documents:
    - Notice of Action for the Adjustment to Permanent Resident Status from U.S. Citizenship and Immigrations Services. A Notice of Action denying the student's application for an Adjustment to Permanent Resident Status will render the student ineligible for resident tuition rate.
    - Proof of residency on Guam for the 12 months prior to applying to the University.

### Non-Resident/International Status

Any student who does not meet the requirements of the [Residency Policy](#) is considered a non-resident or international student.

### Exemptions to the 12-Month Residency Requirement

Resident classification may apply if the applicant is one of the following:

1. A graduate of a Guam high school. You must be able to prove that you attended high school in Guam for three or more years AND graduated from a Guam high school. Nonimmigrant aliens are not eligible

for this exemption.

2. A former elementary and middle school student on Guam. You must be able to prove that you attended both elementary and middle school on Guam. Nonimmigrant aliens are not eligible for this exemption.
3. Active duty military. U.S. military personnel and their authorized dependents (as defined by the Armed Services) are exempted from the 12-month residency requirement during the period such personnel are stationed on Guam on active duty. Note: This exemption does not apply to employees of other U.S. federal government departments, bureaus, or agencies of their dependents who are assigned or stationed on Guam.
4. A legal resident of Guam. You must be able to prove to the registrar that Guam is your legal place of residency and that you intend to make Guam your permanent place of residency.
5. A permanent resident. You must be able to prove that you permanently reside on Guam but have been absent for only educational, training, or military reasons.

### Nonimmigrant Aliens

Nonimmigrant aliens (e.g. B, F, H, and E visa holders) are classified as non-residents and do not qualify for resident tuition rates or exemptions.

### Change of Residency Classification

If you are classified as a non-resident and wish to be considered for resident reclassification, contact the Office of Admissions & Records for more information before the semester or term in which you wish to enroll. Approved changes of status will become effective for the term or semester following the approval; they are not retroactive, and no refunds will be given.

*The University of Guam does not discriminate on the basis of sex in the admission to or employment in its educational programs or activities.
