UOG hosts ‘Sea of Green’ community outreach event at GPO on July 20

The University of Guam will be hosting a community outreach event designed to provide information about its student support programs and on-the-spot academic advisement. UOG’s “Sea of Green” will be held on Saturday, July 20, 2024, at the Guam Premiere Outlets from 11 a.m. to 4 p.m.

Representatives from various student support offices such as admissions, financial aid, counseling, degree programs and more will be available to provide information and help students through processes such applying for admission, choosing a major, submission and tracking of FAFSA, counseling on financial aid opportunities, and more!

“We’re looking forward to meeting with members of the community — especially our future and current UOG students — at the Sea of Green event at GPO on July 20,” said Dr. Gena Rojas, Interim Dean of Enrollment Management and Student Success. “It’s fantastic opportunity to enhance your knowledge about college, explore opportunities, and connect with UOG’s student support team.”

For more information, contact Mr. Evander DeGuzman, Interim Student Life Coordinator at 671-735-0246 or by email at deguzmane@triton.uog.edu.
