

RESEARCH CORPORATION  
OF THE UNIVERSITY OF GUAM

January 30, 2025

**RFP 25-01 Climate and Environmental Justice Legal Fellowships**

The following is a compilation of questions received from potential offerors and RCUOG's response responses.

- 1. Section 2.1, page 4, Project Overview, The Research Corporation of University of Guam, (hereinafter referred to as "RCUOG") is issuing a Request for Proposals for a two (2) law firms with expertise in climate and environmental justice to partner with the University of Guam Center for Island Sustainability and Sea Grant in cultivating the next generation of legal fellows specializing in these critical fields. Question: Will UOG accept 1 proposal from 2 law firms or will the 2 law firms need to separately submit individual proposals?**

UOG will accept one or a joint proposal from two law firms.

- 2. Question: Does Section 2.4.2., page 5, Multiple Proposals, permit an offeror to submit both?** Yes, the offeror may submit both.
- 3. Question: The RFP states that the contractor shall maintain insurance, if applicable. Are the insurance requirements applicable to this Project?**  
Yes, general liability insurance is required.
- 4. Question: If yes, would a policy for Broad Form Commercial General Liability insurance with \$1,000,000 annual aggregate be acceptable instead of \$2,000,000?**  
Yes. This is acceptable.
- 5. Question: If yes, are certificates of insurance due with the proposal?**  
Certificates of insurance will not be due with the proposal but would be required should they be awarded
