Temporary, Part-Time, up to 20 hours per week.

Benefits:

Part-Time: Social Security, Medical and Dental Insurance

The position will begin on **August 16, 2021** and ends on **July 31, 2022** based on availability of funds with possibility of extension should additional funds become available.

Location:

Marine Laboratory, University of Guam, Mangilao, Guam

Minimum Qualifications:

- Current University of Guam graduate student with bachelor's degree in Biology or related field from a U.S. accredited institution or foreign equivalent;
- One (1) year of work experience relevant to the position;

Minimum Knowledge, Abilities, and Skills:

- Must have basic knowledge of Molecular Biology & Genetics;
- Must have excellent swimming and snorkeling skills;
- Must be organized and pro-active with excellent writing and communication skills;
- Must be willing to learn the taxonomy of corals across Guam to assist with ongoing projects;

Character of Duties:

- Assist in the performance of ongoing research relating to coral restoration projects around Guam. Moderate field work but most of the duties are fulfilled in the lab and are computer-based (i.e. genetic and analytical);
- Analyze phylogenetic and/or population genetic datasets;
- Assist in the preparation of scientific manuscripts for reports and publications;
- Other duties assigned;

Police and Court Clearance:

Pursuant to Public Law No. 28-24 and Executive Order No. 2005-34, applicants selected for a position are required to provide original police and court (Superior Court of Guam) clearances of no more than three (3) months old prior to commencement of employment. Off-island applicants must obtain clearances from their place of residence. Applicants are responsible for fees associated with obtaining the clearances

Selected candidate must provide official transcripts prior to hire date.

Work Eligibility:

- Submission of completed job applications authorizes the Research Corporation of the University of Guam to seek and obtain information regarding the applicant's suitability for employment. All factors which are job related may be investigated (i.e., previous employment, educational credentials, and criminal records).
- All information obtained may be used to determine the applicant's eligibility for employment in accordance with equal employment opportunity guidelines. In addition, the applicant releases previous employers and job-related sources from legal liability for the information provided.
- Should an applicant be convicted of any crimes other than a minor traffic violation, all applicable information must be provided in the form of a police clearance report and court clearance report. Failure to admit any felony convictions may result in immediate disqualification or disciplinary action.
- Section 25103, Chapter 25, Title 10 of the Guam Code Annotated requires college or university employees to undergo a physical examination, to include a test for tuberculosis (skin or x-ray), prior to employment and at least annually thereafter. A report of such examination must be conducted by a licensed physician within a state or territory of the United States and must be submitted upon request.
