Benefits:

Full-Time: Social Security, Medical and Dental Insurance, 4 hours annual leave and 4 hours sick leave per pay period, holiday pay, up to 3% 403(b) match based upon employee contribution of 3%.

Location:

Marine Laboratory, University of Guam, Mangilao, Guam

Minimum Qualifications:

- Masters degree in relevant field from a U.S. regionally accredited institution or foreign equivalent;
- Five (5) years of professional work experience, including data analyses and publication(s), fieldwork, and basic coral reef and fisheries taxonomic knowledge;
- Must have a Scuba Certification;
- Must have a valid Guam Driver's License;

Minimum Knowledge, Skill and Abilities:

- Experience with working and designing databases;
- Experience with analyzing data using common platforms (R, Microsoft Excel, Geographic Information System);
- Experience working on the taxonomy of corals, macroinvertebrates, fishes and macroalgae in the Tropical Pacific;
- Teaching/leading workshops;
- Experience with customized Application Programming Interface (API) environments;

Character of Duties:

- Work both independently and in regional collaborations across Micronesia to understand data, analytical trends, and create analytical frameworks to answer questions regarding the status and drivers of fish and coral assemblages;
- Support regional fieldwork activities across Micronesia including participation and training;
- Examine coral and fish trends with respect to the regional Micronesia Challenge conservation targets to help (re)shape future management directions at both the island and regional scales;
- Help supervise graduate student research;
- Perform other duties as assigned;

Police and Court Clearance:

Pursuant to Public Law No. 28-24 and Executive Order No. 2005-34, applicants selected for a position are required to provide original police and court (Superior Court of Guam) clearances of no more than three (3) months old prior to commencement of employment. Off-island applicants must obtain clearances from their place of residence. Applicants are responsible for fees associated with obtaining the clearances.

Work Eligibility:

- Submission of completed job applications authorizes the Research Corporation of the University of Guam to seek and obtain information regarding the applicant's suitability for employment. All factors which are job related may be investigated (i.e., previous employment, educational credentials, and criminal records).
- All information obtained may be used to determine the applicant's eligibility for employment in accordance with equal employment opportunity guidelines. In addition,

the applicant releases previous employers and job-related sources from legal liability for the information provided.

- Should an applicant be convicted of any crimes other than a minor traffic violation, all applicable information must be provided in the form of a police clearance report and court clearance report. Failure to admit any felony convictions may result in immediate disqualification or disciplinary action.
- Section 25103, Chapter 25, Title 10 of the Guam Code Annotated requires college or university employees to undergo a physical examination, to include a test for tuberculosis (skin or x-ray), prior to employment and at least annually thereafter. A report of such examination must be conducted by a licensed physician within a state or territory of the United States and must be submitted upon request.
- Federal law requires presentation of eligibility to work in the United States within seventy-two (72) hours of reporting for employment. Specifically, 8 USC 1324A requires the employer to verify the identity and eligibility to work in the United States of all newly hired employees. The Research Corporation of the University of Guam is required to comply with this law on a non-discriminatory basis. If you are hired to fill a position with the Research Corporation of the University of Guam, you will be required to present valid documents to comply with this law.

The Research Corporation of the University of Guam complies with Public Law 24-109 in reference to the provisions and requirements of the Americans with Disabilities Act. Assistance in EEO/ ADA matters and inquiries concerning the application of Title IX and its implementing regulations may be referred to the University's Director, EEO and Title IX/ ADA Coordinator, located at the EEO/ ADA and Title IX Office, Dorm II, Iya Hami Hall, Room 104, Telephone No. (671) 735-2244; TTY (671) 735-2243; or to the Office of Civil Rights (OCR).
