RESEARCH CORPORATION OF THE UNIVERSITY OF GUAM

PART 3

Number of postdocs (headcount)* _____

Completed By: _____ Date: _____

NSF Definitions*

Basic Research

Research undertaken primarily to acquire new knowledge without any particular application or use in mind.

Applied Research

Research conducted to gain the knowledge or understanding to meet a specific, recognized need.

Development

The systematic use of the knowledge or understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including the design and development of prototypes and processes.

PostDocs

NSF defines postdocs as meeting both the following qualifications:

1. Holds a recent doctoral degree, generally awarded within the last 5 years.
2. Has a limited-term appointment, generally no more than 5-7 years.
